

# Do Tri-Medics Scissors Make Cleaner Cuts?

TRI-MEDICS, LLC

## RECENT PRELIMINARY FINDINGS

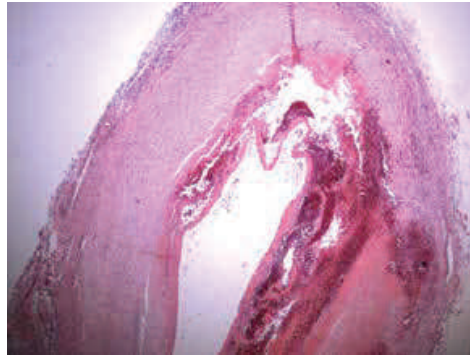

Tri-Medics recently participated in an independent animal study to determine just how well our scissors perform. Though not conclusive, the study suggests that using Tri-Medics scissors may make cleaner cuts.

### TRI-MEDICS

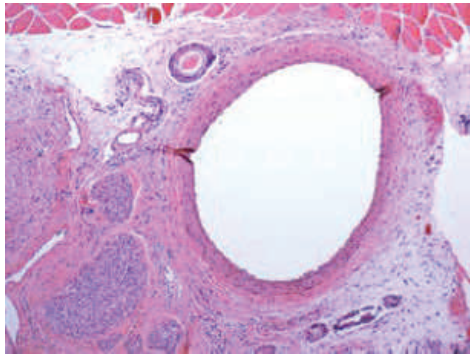

VEIN GRAFT

### COMPETITION

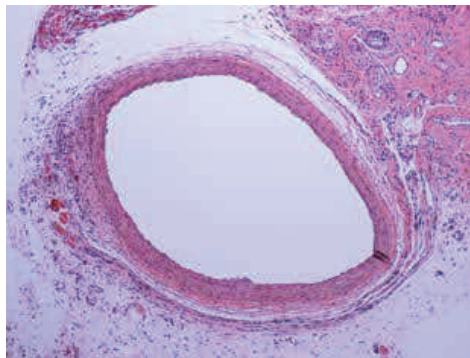

*Less neointimal hyperplasia and injury in the Tri-Medics sample above.*

### TRI-MEDICS

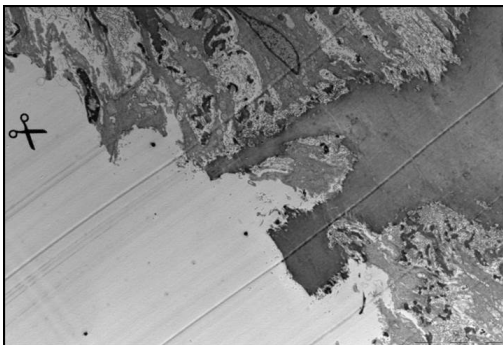

ARTERY

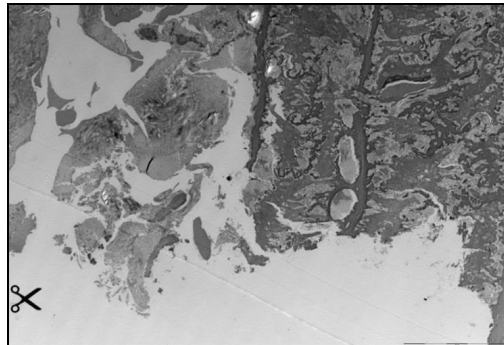

### COMPETITION

*Artery cross-sections demonstrate consistent surgical quality in the adjacent artery of both samples.*

### TRI-MEDICS

### COMPETITION

*Close inspection with electron microscopy shows less fragmentation in tissue cut with a Tri-Medics Precision Surgical Scissor.*
